Inmate Name and BCCF#:

19644 Cell 611 #1

Date:

5-9-19

Donald Trump kidnapped me during his kidnapping at the Bedford prison holding me on known pants but murder attempting to have me murdered by the white people at the jail. The following people involve are Judge Terry A. Osman located at 600 Juliana Street Bedford County PA. I am afraid for my life. This prison is a kidnapping camp where I am held here for a while. I am afraid. I immediately have me removed from this facility. The white people here are extremely racist and they put poison in my food to kill me. Each time I get an entry my food have poison in my chest. They kill

I was not sick before I was kidnapped. They put medicine in my food to stop my heart.

Same thing to the white girl Marcel
 and to 29 who died and is buried
 underground at the jail, the union
 was in March 19, 2018. MARROWLO
 program asked me on 5-9-19 was
 I ready to eat my breakfast
 Jay 2- Beyonce and I would bump
 with the jail. Beyonce was in the
 Martin Area since March 19, 2019
 to April 19, 2019. I asked that
 you urgently get me released
 from this jail due to medical
 reasons. I am having respiratory
 problems. My wife Shonna Bennett
 is dangerous and want to kill
 me I will keep asking Lieutenant
